

Langhorne Carpet Featured at Campaign for Wool

New York, NY, Oct. 2, 2012 --

Langhorne Carpet Company's Manhattan line was featured in the wall-to-wall carpeting of Bryant Park as part of the U.S. launch of the Campaign for Wool.

News...As it Happens

Langhorne's Jacquard Wilton carpet is showcased in one of Midtown's most famous landmarks with other "wonders of wool" including a flock of 30 free-ranging sheep from an upstate New York farm.

Campaign for Wool was organized to raise public awareness about the numerous environmental, economic, and practical benefits of wool in everything from fashion to home furnishings.
